

Garden Stars

Congratulations to this month's Bexar County Master Gardeners who have earned their 2018 certification and the Alamo 300 pin! They have completed at least 30 volunteer hours and 6 CEU hours, of which 3 hours must come from attending the monthly meetings.* The pins are available from Susan Noonan at the monthly meetings or can be picked up at the Master Gardener office during the Office Manager business hours on Tuesdays and Thursdays. For other delivery options, please contact Susan Noonan, susan.noonan@gmail.com.
