

Get Involved... Your "other" skills are needed to make our organization **STRONG!**

#1

Our public BCMG Facebook Group provides an online space to communicate about shared gardening interests with people who have requested to join our group. This platform provides a vital outreach vehicle to our local community with currently over 1600 members! We are in need of additional administrators who have time to check the group on a daily basis and make daily posts. Interested? Please email [Lisa Nixon](#) TODAY!

#2

BE OUR PARLIAMENTARIAN: Needed for Board of Directors Meetings (11 meetings each year: 2 hours per meeting). Must become knowledgeable of BCMG Bylaws and Policies (available on the BCMG website) and have working understanding of parliamentary procedure. Bylaws referenced below! Email [President Grace Emery](#) for more information or to volunteer to serve!

#3

Take on an ongoing role and participate throughout the year as a member of the new [Logistics Committee](#) or the new [Events Committee](#).

Logistics Committee members will set up and tear down the events, to include moving and setting up canopy, tables, chairs, etc. from the storage to the location, and then being responsible for take down and return to the storage unit. The work crew need not stay for event, but return at the end of the event for tear down.

Events Committee members will check the annual calendar for event dates and secure a Chair and necessary members for the event. BCMG participates in, or hosts a variety of events such as Spring Bloom, Festival of Flowers, Monarch Festival, Spring & Fall Cultivate!, seasonal Home and Garden Shows, Poinsettia Sale, Birdies for Charity, Rodeo, and so many others. We hope to have the expertise of 2018 chairs, co-chairs and volunteers joining this committee!

These committees are key to our success as a Master Gardener organization. Email [President Grace Emery](#) if you are interested in playing a part in BCMG's foundation for stability and endurance!
