

Hello All! Welcome to the **Junior Master Gardener Monthly Updates Page**. Here you will find what our special JMG trained volunteers and Bexar County Master Gardeners have done for the Youth Gardens Program and some new volunteer opportunities with kids.

### **San Antonio Livestock Show and Rodeo**

Thank you so much to all the volunteers that made the Rodeo so successful this year. We saw over 11,400 students during School tours and about 2,000 students with the Weekend Youth Activities. This is our biggest and longest event of the year and it is with your support that this is possible!

### **Learn Grow Eat and Go!**

Our Learn Grow Eat and Go! Program is going strong! We are all set to start the program and Miller Elementary and Lamar Elementary are set up for this season. ### **Children's Vegetable Garden**

Thank you to all the Master Gardeners who have started another season at the Children's Vegetable Garden! Registration is still open for the families so be sure to spread the word. And check out the Children's Vegetable Garden Blog for the agendas and fun gardening info!
