

Bexar County Master Gardener

Class of 2021, Class 64

In November 2021, 26 interns graduated in Class 64 of the Bexar County Master Gardeners. The class is developed and taught by Lou Kellog, BCMG and David Rodriguez, Agrilife Extension Horticulturist.

The program consists of 10 weeks of classroom and field training, and graduates of the program will be MG interns until they become fully certified MGs by also completing 50 hours of volunteer training.
